## E-News – November 2021

### Message From the President

Greetings!

First, I would like to thank you for allowing me to lead this organization. It is without a doubt one of the highlights of my career. I am so humbled to work with you and for you to make your association even better and with your continued support, the NCJAA will grow and flourish!

After a long and extremely challenging year and half, we were finally able to come back together and train and socialize, catch up on old friendships and discover new ones and WOW was that awesome or what! The 2021 conference was held in September, and it was a huge success, granted we had to dust off a few areas, but that is to be expected. I would like to give a special thanks to all our speakers and presenters. Additionally, I would like to thank our fantastic group of Vendor Partners representing the myriad of services within our profession. Without their dedication and support the association could not have a conference or symposium.

Lastly, I would like to thank the Board of Directors and the Executive Director for all the hard work and dedication to the success of the North Carolina Jail Administrators Association.

Regards,

Greg Huntley, President  
North Carolina Jail Administrators Association
